

A CALL TO ALL MODERATES

OUR COUNTRY IS ON THE BRINK OF CHAOS

The peace and prosperity of this country depends on the unification of its people. By giving the reforms suggested by Capt. O'Neill a chance to succeed these may be attained.

Please back Capt. O'Neill in his sincere request for a period of restraint to give his policies a chance and avert this march on Saturday which can only bring about further unrest.

If you are sincere about the future of this country then show your feelings **AT THE PEOPLES DEMOCRACY TONIGHT** by voting for any motion opposing this march.

REFORM needs the help of all the moderates in this University

SO PLEASE SHOW IT
