ULSTER LOYALIST WORKERS NOW SPEAK OUT

Joint Chairmen **WILLIAM HULL & HUGH PETRIE**

THE CAUSE THE FACTS

Explained

We are indeed honoured at having the opportunity to write the front page of our new paper - "L. A. W." - and take this chance of thanking all those Loyalist Workers, - who when called on in 1971 were not found wanting - despite calls from the Government, the Employers, and the I.C.T.U. to stay at work on the statement of a "Loss of Production". We say that if the burnings, bombings and

civil disobedience is allowed to continue then production will not be our main problem as inclusion in a United Republican Ireland will sound the death knell to a great many industries in Northern Ireland, with the loss of many thousands of jobs, and could lead to mass emigration of many Loyalist Workers. It is, therefore, the duty of all of you to be forever vigilant in the cause of Ulster, in the Workshops and the areas in which you reside. Resist at all times the efforts of those who are working by day and night for our downfall; such as the Civil Rights, Peoples' Democracy, S.D.L.P. and the I.R.A.
