## **THEMES FOR ACTION**

Chapter 2 states a number of themes for action as follows:

### **Short Term**

- Developing 'Shared Space';
- Enhancing community capacity to play a full role in implementing the Programme for Cohesion, Sharing and Integration;
- 'Crisis Intervention' and the need for a mechanism to co-ordinate multi-agency rapid responses to tackle sectarianism and racial violence and all forms of hate crimes;
- Ensuring good relations considerations are embedded within all government policy making;

- Early and strategic intervention to tackle anti-social behaviour and tensions around interfaces; and
- Promoting Cohesion, Sharing and Integration through a process of community renewal.

### **Medium Term**

- The relationship between young people and the community;
- Providing a new and improved framework for the resolution of public assembly disputes; and

### **GOOD RELATIONS AND THE RACIAL EQUALITY STRATEGY**

The Programme for Cohesion Sharing and Integration is not intended to supersede or replace the Racial Equality Strategy for Northern Ireland 2005-10, which was endorsed by the motion made by the Assembly on 3 July 2007. - Public spaces, thoroughfares, community facilities and town centres should be safe, shared and welcoming to the whole community;
- All public authorities, including District Councils, should discharge functions and deliver services equally and inclusively recognising the diverse nature of the community they serve and the barriers which can be experienced by minority ethnic people in particular;
- Unnecessary duplication of services should be targeted through the enhanced delivery of shared services on the basis of objective need;
- Safe and secure shared community spaces should be developed in a culture of fairness, equality, rights, responsibilities and respect; and
- Displays of flags and emblems, graffiti or murals, parades or public assemblies or festivals should be held in an environment which respects individual and community rights.
