New twist in Maze saga

A victims group have shown UTV Live pictures from inside the old Maze prison hospital which they say prove Republicans plan to turn it into a shrine for hunger strikers.

The photographs show flowers and a mass card left by visitors to the hospital wing.

They were shown to UTV by the group Families Acting For Innocent Relatives (FAIR).

Meanwhile the Democratic Unionist Party (DUP) are believed to have demanded six months of extra time to resolve their differences over plans for a national stadium for Northern Ireland at the Maze.

Funny, as soon as I saw the headline I knew it had to be fair. I was on the long kesh tour last year and some friends went this year and there was nothing like that there. I wonder was it possibly a relative visiting who put them there.
