#### Latest News:

## MURDER OF PAUL QUINN

The following is a statement on behalf of the officers of the Democratic Unionist Party:

*“This was a brutal and horrific crime. We encourage anyone with the slightest information on this incident to make it available to the police. Those responsible for such a reprehensible crime must be brought to justice.*

*The DUP has made it clear that there will be no place in government for those associated with murder. If it emerges that the Provisional IRA was involved there will undoubtedly be serious repercussions for the political process in Northern Ireland.*

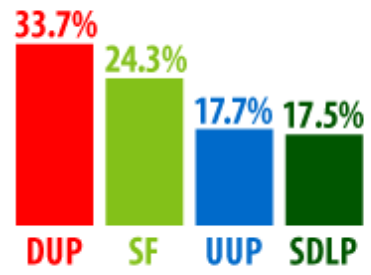

*We are asking the police and the IMC to provide us urgently with all the information they have on this matter. There must be full disclosure of all relevant material, regardless of any political consequences. We intend to arrange urgent meetings with the Chief Constable and the IMC.”*
