INTERNATIONAL COVENANT ON CIVIC AND POLITICAL RIGHTS: UK REPORT

... In response to your letter of 26 September I now enclose briefs for Mr Cairncross on the protests in the Maze Prison and on the Amnesty Report.

In compiling the brief on the Maze I have drawn on our earlier brief entitled "Rules regulating the treatment of prisoners" and this should now be discarded. I should also point out that there is no guarantee that the situation in the Maze will not change before Mr Cairncross leaves for Geneva and we might need to bring the brief up-to-date at a later stage.

Yours sincerely,  
R G Jones
